Hi Christine just wondering if you can help me get my welcome email with my contracts? Dovile said the investor Relations assistant, Kim Chapman should of sent executed contracts to me and was going to try to get her to resend them but I haven't heard anything yet. I know Dovile is probably really busy so I thought I would check with you.

*Thanks,
Danny Smith

Hi Kim, Dovile mentioned you could send me the executed contracts and/or statement/receipt for my investment I started in January 2017 please? All I have is the original docusign forms that were sent to me for signature to start the investment.

Thanks and have a great day.

Thanks,

Danny Smith

Hi Dovile, Yes that's great, I just got a letter from Christine stating that she was working with you all. She's definitely a fan and will be a great promoter of OE Capital :-)

Yes I will be closing on that second loan hopefully by the end of this month. Everything is going well with the loan, just had the appraisal done so waiting on word back for the exact loan amount. I will let you know when we are ready to transfer it over.

Do you happen to have some type of statement or receipt for my first deposit that I can get from you when you get a chance please?

Thanks for your help Dovile and have a great week and we will talk to you soon.

*Thanks,
Danny Smith

Morning Danny,

I wanted to reach out and follow up on your second transfer. Let me know if you have heard from the source of funds and the timing you foresee.

I would also like to formally announce that Christine Horne has come on board to OE Capital Partners full time as a Private Capital Expansion partner for us. We have been working with Christine for over a year and have both decided that we wanted her time and enthusiasm for our company full time.
